Re: Company Promotional Video

Dear Michael & Team,

Our special thanks to you and your team for the wonderful job you did on the MRC Company Video. It was a difficult task to bring together the various elements of MRC, and its sister companies Link and Advent, yet the outcome was amazing. The video is an eye-catching piece that we proudly display in our lobby and at other events on a worldwide scale.

At the videos debut during this years National Association of Broadcasters show in Las Vegas the compliments poured in from customers and passers by alike. Our president and CEO both noticed and appreciated your attention to detail in displaying our collective company images. The quality of your work reflects the amount of experience you have in the industry and your ability to convey messages across different markets.

Here at MRC we are extremely pleased with all aspects of the video and look forward to contracting your services again.

Regards,
